## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our mission at India Hook Elementary School is to nurture the talents and academic abilities of every child we serve and to find the treasures that lie beneath the surface for many students. Our motto is "where treasures are found every day."

Our instructional programs not only support students who are struggling, but also stretch students to challenge themselves in new and exciting ways. We have provided tutoring opportunities for students that need additional support in academic areas before school and with additional certified staff during literacy instruction. Students were also invited to participate in after school clubs which included Girls on the Run, Art Club, Gardening Club, French Club, and Science Club.

Certified staff members have worked together to develop curriculum maps and unit plans for each grade level for the year. The maps included all grade level standards and integrated units of study.

We have identified areas of growth for next year that include academic performance of our ESOL student population and math instruction that is hands-on and minds-on. Our teachers will work closely with our district math coach to develop lessons and units that challenge and support all students.

We have had a very successful first year and credit that to our excellent teaching staff and to the unbelievable support of our community.

Crystal Guyton, Katarina Moyon, and Jim Weaving
